

# WET N FIX

For masonry, ceramics, plaster, plasterboard and wood. Use with plastic or metal wall plugs.

## Features & Benefits

- + WetNfix discs fill the gap making your wall plugs fit tight
- + In 3-4 minutes, WetNfix will set and the surface will be ready for fixtures. Add 1 minute to the setting time for each additional disc used
- + Just wet the disc, wrap around the plug and push into the drill hole
- + 2 pack sizes available
- + Part codes: **R-WNF/10** (10 pack) & **R-WNF/20** (20 pack)
