COVID-19 UPDATE – January 2021

Rawlplug Ltd hope that all our customers, their family and friends have managed to have a good Christmas break during these challenging times

Due to the recent Government Announcement we have suspended our training sessions at our Academy in West London (Reading) and Training Centre in Glasgow, and will review the situation by mid February 2021

Our Training Academy programme continues to run remotely with the offer of FREE standard and bespoke webinars to all our customers and technical colleges. For further information please contact us at rawlinfo@rawlplug.co.uk

We wish everybody a good start to the year.

We are open for business as usual and have implemented strict safety measures to safeguard the wellbeing of our staff.
